

# C / Grande cuvée

COMPLEX, WARM

*Deep, almost black colour, with a hint of evolution. Nose of predominantly spices and liquorice, underscored by light toasted notes, revealing superb aromatic complexity. The impression of smoothness is confirmed on the palate with a full-bodied, voluptuous tannic structure characterized by flavours of Morello cherry and fig. Warm and well balanced with a pleasant hint of acidity. Aged in new French fine-grain oak barrels.*

## WHEN

*Stuffed duck breast, fillet of venison with redcurrant jelly and wine sauce, for a fine Sunday lunch or a festive occasion.*
