

C / Sans soufre*

DENSE, EXPRESSIVE

A gem of the terroir. Dark red colour, the bouquet is complex, generous and fresh with notes of raspberry. Warm, round, intense palate with the same aromas and good length. This is a very full-bodied wine with a well-defined style that is best served slightly cooler.

WHEN

With a warm regional dish such as a pot au feu or a cassoulet.

**Wine with no added sulphur*
